Slowly and reverently

Music by Edward B. Salla Kinney

Now may the Light that shines in Heaven reflect in thy soul and

guide thee to Abha. While hovering angels listen and obey, the

yearning's uplifter soul or-tuned to pray. Now may the Love which

faith and hope reside with thee both now and ever more, and

may the Ho-ly Spirit now im-part, its Radiance, its Radiance to Thy

Love il-lu-mined Thy love il-lu-mined heart.
