

#5. *Light - Nur.* (June 5th)

1) Light, divinely stream-ing, From its Source above,
2) Light, the great reveal-or, Guides us on our way,

Light, eternal, gleam-ing, Ra-di-ates His Love, Into
Light, the glorious healer, Drives all sin away. Comes to

earth's gloomy sadness, Into sin and into strife,
all hid-den places, Of the human heart and soul,

Refrain

Bringing joy and gladness, A-gain renew-ing life. "My
Radiant-ly ef-face-ss, And pur-i-fies the whole.

Lamp thou art, And My Light is in thee,

Therefore be illumined by it, And seek no one but Me."
