SOPRANO
Is there an-y Re-mo-ver of dif-fi-cul-ties save God? Say praise be God!

ALTO
Is there an-y Re-mo-ver of dif-fi-cul-ties save God? Say praise be God!

(Melody)
TENOR
Is there an-y Re-mo-ver of dif-fi-cul-ties save God? Say praise be God!

BASS
Is there an-y Re-mov-er of dif-fi-cul-ties save God? Say praise be God!

He is God! All are His ser-vants, and all a-bide by His bid-ding!

He is God! All are His ser-vants, and all a-bide by His bid-ding!

He is God! All are his ser-vants, and all a-bide by His bid-ding!

He is God! All are His ser-vants, and all a-bide by His bid-ding!

Performance suggestion:

Each part enters, one song cycle at a time, in this order: tenor, alto, soprano, bass. Then, when all parts are in, the chant is sung for 2 more song cycles. Each part then drops out in reverse order: bass, soprano, alto with tenor (melody) singing the last song cycle. With this performance plan the chant will be sung a total of 9 times.
