

# We can build a beautiful world (Russ Garcia)

We can build a beautiful world  
when we learn that mankind is one  
We can have a wonderful world  
when we learn to love

We can build a beautiful world  
when we learn religion is one  
We can have a wonderful world  
when we learn to love

No more hatred and no more greed  
all mankind will be free  
No more hunger and no more war  
peace on earth evermore, evermore

We can build a beautiful world  
when we learn to love all mankind  
We can have a wonderful world  
when we learn to love

We can build a beautiful world  
when we learn the earth is one land  
We can have a wonderful world  
when we learn to love  
love, love, love, love!
