This well known prayer in the Baha'i world community was revealed by The Bab (The Gate), who announced to the world the coming of a new age where, in time, all religions would recognize their essential unity and the world would become one nation. In 1850 in Tabriz, at the age of thirty, the Bab was charged with apostasy and put to death by firing squad by order of the Prime Minister of the Persian Empire. The prayer was originally revealed in Arabic and has since been translated into many different languages worldwide. It is believed that the prayer is endowed with a special potency and recommended that it be chanted during times of great difficulty.
