Melody verse 2

Hear the song! Hear the Song  
of God, of God

Counterpoint verse two

In all things within all things  
In all things within all things  
In all things within all things  
In all things within all things  
In all things within all things  
In all things within all things

Melody verse

Free yourself! Free yourself  
And find yourself, and find yourself

In all things from all things  
In all things from all things  
In all things from all things  
In all things from all things  
In all things from all things  
In all things from all things
